DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee

DCI/IC 77-1935/1
8 November 1977

MEMORANDUM FOR: Acting Deputy to the DCI for the
Intelligence Community

FROM:

[Redacted]
Acting Chairman

SUBJECT: Revision of DCID 1/16, "Security of Foreign
Intelligence in Automated Data Processing
Systems and Networks" (U)

REFERENCE: Memorandum to the DCI, DCI/IC 77-1925, dated
3 August 1977

1. (U) Attached for your signature is a proposed memorandum to the DCI requesting his approval to place the revised DCID 1/16 on a future NFIB agenda.

2. (C) Reference forwarded a Security Committee version of a computer security policy directive to the DCI and pointed out areas of unresolved conflict. The DCI approved the circulation of the draft DCID to NFIB. Comments from the NFIB members have been received and all basically concur with the circulated draft except the DOD departments and agencies. Changes of an editorial nature have been made and the two areas of substantive disagreement and rationale are covered in the memorandum to the DCI.

3. (U) Although I would like to see the DCID signed as submitted, it does have resource implications which should be considered by NFIB.

4. (U) Recommend that you sign the attached memorandum to the DCI.
